

INDUSTRIAL INVESTMENT OPPORTUNITIES IN ANDHRA PRADESH

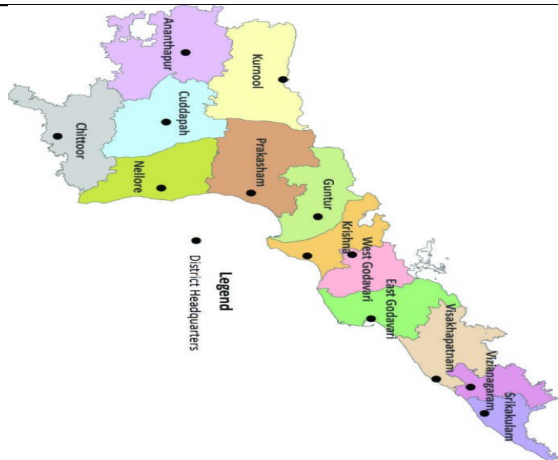

Andhra Pradesh (AP) is located in the Southern peninsula of India and has a coastline of 974 km. The state of Andhra Pradesh is bounded by Chhattisgarh on the north, Odisha on the northeast, Telangana and Karnataka on the west, Tamil Nadu on the south, and the Bay of Bengal on the east.

The state has well-developed social, physical and industrial infrastructure and virtual connectivity. It also has good power, airport, IT and port infrastructure. Andhra Pradesh had a total installed power generation capacity of nearly 9,555 MW. The state has nine hydro power projects under operation and one under development. The state also has three thermal power projects under operation, two projects under development and two projects under construction.

It is the first state in the country to have enacted the Industrial Single Window Clearance. The Act made it compulsory for new industries to register with the single-window to obtain clearances quickly. It also simplified procedures for getting industrial clearances. The state also has separate acts for development in sectors such as solar power, electronic hardware and food processing.

Andhra Pradesh Fact File:

| S.No | Parameters | Figures |
|------|-------------------------------------|------------------|
| 1. | Geographical Area | 1,60,200 |
| 2. | Administrative Districts | 13 |
| 3. | Population Density (Person / Sq.km) | 308 |
| 4. | Total Population (lakhs) | 493.8 |
| 5. | Male Population (lakhs) | 247.3 (50.1%) |
| 6. | Female Population (lakhs) | 246.4 (49.9%) |
| 7. | Sex ratio (Females per 1000 males) | 996 |
| 8. | Literacy Rate (%) | 67.41 |

SRIKAKULAM DISTRICT

Srikakulam District is located in the north-eastern part of Andhra Pradesh. The total area of the District is 5837 sq.Kms.

District at a Glance:

| | | | | |
|---------------------------|---|-----------------------------|---|-----------|
| Population 2011 census | : | Male | : | 13,40,430 |
| | | Female | : | 13,59,041 |
| | | Total | : | 26,99,471 |
| Literacy | : | Percentage | : | 62.3 |
| Land Use | : | Total area (ha) | : | 5,83,700 |
| | | Agriculture use | : | 3,22,000 |
| | | Forest Cover | : | 68,641 |
| | | Non Agriculture Land | : | 99,269 |
| | | Cultivable Barren Land | : | 659 |
| Length of Coastal Line | : | | | 193 KM |
| Main Source of Irrigation | : | Nagavali, Vamsadhara Rivers | | |
| Railways | : | KMs | : | 128.06 |
| Roads | : | NH-5 in kms | : | 194 |
| | | State Highway | : | 175.01 |

Resource Mapping:

| | | | | |
|--------------------------|---|--|--|--|
| Agriculture Produce (MT) | : | Paddy (5,00,000), Sugarcane (6,50,000), Mesta (1,42,000) | | |
| Horticulture (MT) | : | Coconut (99.616), Cashew (10,000), Mango (91,800), Pineapple (4,700) and Banana(23,500) | | |
| Minerals | : | Ilmenite – 2,71,130, Zircon – 23,989 | | |
| Power - Substations | : | 33/11KVA – 56, 132/33 KVA – 4 | | |
| Industrial Estates (ha) | : | Pydibheemavaram, (400.83), Kushalapuram (16.38), Amudalavalasa (19.52), Palasa (31.61), Balaga (1.5) | | |
| Existing Industries | : | Micro and Small – Registered 5576, Unregistered 1654, Medium and Large - 35 | | |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Rice milling

2. Rice bran Oil
3. Cashew Kernels
4. Granite Cutting and Polishing
5. Mango, Pineapple Pulp and fruit canning industries
6. Fish and Prawn Processing industries
7. Drugs and Pharmaceutical industries
8. Tourism based industries
9. Jute based industries
10. Coir based industries
11. Salt based industries
12. Textile and readymade Garments.

VIZIANAGARAM DISTRICT

Vizianagaram District is located in the north-eastern part of Andhra Pradesh. The total area of the District is 5837 sq.Kms.

District at a Glance:

| | | | |
|---------------------------|--|---|-----------|
| Population 2011 census | : Male | : | 11,61,913 |
| | Female | : | 11,80,995 |
| | Total | : | 23,42,908 |
| Literacy | : Percentage | : | 59.4 |
| Land Use | : Total area (ha) | : | 6,53,900 |
| | Agriculture | : | 1,77,000 |
| | Forest Cover | : | 1,19,303 |
| | Non Agriculture Land | : | 77,320 |
| | Cultivable Barren Land | : | 3826 |
| Length of Coastal Line | : | | 112 KM |
| Main Source of Irrigation | : Nagavali, Suvarnamukhi, Gomuki Rivers | | |
| Railways | : KMs | : | 260.44 |
| Roads | : NH-5 in kms | : | 200 |
| | State Highway | : | 122.41 |

Resource Mapping:

| | |
|--------------------------|--|
| Agriculture Produce (ha) | : Paddy (1,24,569), Sugarcane (16,185), Mesta (27,900) |
| Horticulture (ha) | : Groundnut (36.000), Cashew (37,400), Mango (22,900) |
| Minerals | : Manganese ore – 2,64,252, Quartzite – 98,793, Road metal and building stone (288493), Color granite (186.42) |
| Power - Substations | : 33/11KVA – 56, 132/33 KVA – 4 |
| Industrial Estates (ha) | : Bobbili, (466.21), Vizianagaram (13.14), Nellimarla(72.90), Kankatapalle (132.52) |
| Existing Industries | : Micro and Small – Registered 2156, Unregistered 2,054, Medium and Large - 31 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Jute products
2. Food processing units
3. Fruit pulp and processing
4. Cashew nut processing and nut shell liquid
5. Drugs and Pharmaceutical industries
6. Quartzite based industries
7. Color granite cutting polishing and tiles
8. Manganese ore processing and pulverizing
9. Sea food processing
10. Ferro Alloys
11. Jams and Jellies
12. Iron and steel alloys
13. Paper products.

VISHAKAPATNAM DISTRICT

Vishakapatnam District is located in the north-eastern part of Andhra Pradesh. The total area of the District is 11,161 sq.Kms.

District at a Glance:

| | | | | |
|---------------------------|---|------------------------|---|-----------|
| Population 2011 census | : | Male | : | 21,41,000 |
| | | Female | : | 21,47,000 |
| | | Total | : | 42,88,000 |
| Literacy | : | Percentage | : | 67.7 |
| Land Use | : | Total area (ha) | : | 116100 |
| | | Agriculture | : | 3,76,000 |
| | | Forest Cover | : | 4,41,166 |
| | | Non Agriculture Land | : | 1,06,854 |
| | | Cultivable Barren Land | : | 10,863 |
| Length of Coastal Line | : | | | 132 KM |
| Main Source of Irrigation | : | Surface Water & Canals | | |
| Railways | : | KMs | : | 82.13 |
| Roads | : | NH-5 in kms | : | 17.25 |
| | | State Highway | : | 354.63 |

Resource Mapping:

| | | |
|--------------------------|---|--|
| Agriculture Produce (ha) | : | Paddy (1,12,122), Maize (6,770) Sugarcane (37,862) |
| Horticulture (ha) | : | Cereals and Millets (1,68,809) |
| Minerals | : | Quartz – 35,130, Laterite – 34,200, Apatite, Calcite, Vermiculate, White clay, Color granite |
| Power - Substations | : | 33 / 11 KV – 148, 132 KV – 10, 220 KV - 4 |
| Industrial Estates (ha) | : | There are around 14 Industrial Estates |
| Existing Industries | : | Micro and Small – Registered 1,488, Unregistered 5,179 Medium and Large - 72 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Agro and food processing industries
2. Sea food processing and export
3. Apparel and Textiles
4. Color Granite Cutting Polishing and tiles
5. Coir based products
6. Alloy wheels
7. Drugs and Pharmaceutical industries
8. Tourism based industries
9. Automobile industry
10. Mechanical and metallurgy industries
11. Industrial testing laboratories
12. Aluminum products
13. Starch products
14. Forest based products
15. Ancillaries to Hindustan Shipyard
16. Ancillaries to Visakhapatnam Steel Plant
17. Precast Cement Products
18. Fertilizers and pesticides.

EAST GODAVARI DISTRICT

East Godavari District is located in the north-eastern part of Andhra Pradesh. The total area of the District is 10,807 sq.Kms.

District at a Glance:

| | | | |
|---------------------------|--------------------------|---|-----------|
| Population 2011 census | : Male | : | 24,60,000 |
| | Female | : | 24,41,000 |
| | Total | : | 49,01,000 |
| Literacy | : Percentage | : | 71.7 |
| Land Use | : Total area (ha) | : | 10,81,000 |
| | Agriculture | : | 4,25,000 |
| | Forest Cover | : | 3,23,000 |
| | Non Agriculture Land | : | 3,81,000 |
| | Cultivable Barren Land | : | 5,98,000 |
| Length of Coastal Line | : | | 144 KM |
| Main Source of Irrigation | : Surface Water & Canals | | |
| Railways | : KMs | : | 171.34 |
| Roads | : NH-5 in kms | : | 125 |
| | State Highway | : | 707.25 |
| Ports | : Major port is Kakinada | | |

Resource Mapping:

| | |
|--------------------------|---|
| Agriculture Produce (ha) | : Paddy (3,37,094), Maize (7,932) Sugarcane (12,618) |
| Horticulture (ha) | : Cereals and Millets (4,19,070), Coconut (6,08,073) |
| Minerals | : Crude Oil – 3,03,584, Laterite – 3,69,324 |
| Power - Substations | : 33 / 11 KV – 144, 132 KV – 12, 220 KV - 4 |
| Industrial Estates (ha) | : There are around 24 Industrial Estates |
| Existing Industries | : Micro and Small – Registered 2,743, Unregistered Nil Medium and Large - 156 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Agro and food processing industries
2. Sea food processing and export
3. Rice milling, Solvent extraction and by products
4. Cashew processing, Cashew fenny and other products
5. Coir based and Coconut oil based industries
6. Fertilizers and pesticides
7. Fruit processing, fruit pulp, canning and other products
8. Port based industries
9. Packaging industry
10. Ceramic tiles
11. Organic manures, Bio fertilizers
12. Palm oil based industries
13. Straw and craft paper industries
14. Forest based products
15. Soybean based products.

WEST GODAVARI DISTRICT

West Godavari District is located in the Western part of Andhra Pradesh. The total area of the District is 7,742 sq.Kms.

District at a Glance:

| | | | | |
|---------------------------|---|------------------------|---|-----------|
| Population 2011 census | : | Male | : | 19,60,000 |
| | | Female | : | 18,90,000 |
| | | Total | : | 38,50,000 |
| Literacy | : | Percentage | : | 74.3 |
| Land Use | : | Total area (ha) | : | 11,16,000 |
| | | Agriculture | : | 6,50,000 |
| | | Forest Cover | : | 81,200 |
| | | Non Agriculture Land | : | 1,07,000 |
| | | Cultivable Barren Land | : | 1,30,000 |
| Length of Coastal Line | : | | | 17 KM |
| Main Source of Irrigation | : | Surface Water & Canals | | |
| Railways | : | KMs | : | 90 |
| Roads | : | NH in kms | : | 108 |
| | | State Highway | : | 281 |

Resource Mapping:

| | | |
|--------------------------|---|--|
| Agriculture Produce (ha) | : | Paddy (3,63,785), Maize (47,932) Sugarcane (27,054) |
| Horticulture (ha) | : | Cashew (4,04,000) Mango (1,76,000) Coconut (23,00,000), Oil Palm (45225 acres) |
| Minerals | : | Ball Clay – 2,30,913, Fire Clay – 16,271, Lime stone, Dolomite and Quartz |
| Power - Substations | : | 33 / 11 KV – 196, 132 KV – 14, 220 KV - 4 |
| Industrial Estates (ha) | : | There are around 5 Industrial Estates |
| Existing Industries | : | Micro and Small – Registered 3,651, Unregistered Nil Medium and Large - 42 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Industrial fire bricks
2. Fertilizers and pesticides
3. Ceramic Tiles, Sanitary ware and ceramic products
4. Chemical and dyes
5. Coir based and Coconut oil based industries
6. Paper products
7. Fruit processing, fruit pulp, canning and other products
8. Jute based industries
9. Sugarcane based products
10. Palm oil based industries
11. Organic manures, Bio fertilizers
12. Straw and craft paper industries
13. Starch and liquid glucose
14. Agricultural implements manufacturer.

KRISHNA DISTRICT

Krishna District is located in the Coastal region of Andhra Pradesh. The total area of the District is 8,727 sq.Kms.

District at a Glance:

| | | | | |
|---------------------------|---|------------------------------|---|-----------|
| Population 2011 census | : | Male | : | 24,41,128 |
| | | Female | : | 24,48,102 |
| | | Total | : | 48,89,230 |
| Literacy | : | Percentage | : | 74.3 |
| Land Use | : | Total area (ha) | : | 8,72,700 |
| | | Agriculture | : | 4,76,000 |
| | | Forest Cover | : | 76,186 |
| | | Non Agriculture Land | : | 1,49,803 |
| | | Cultivable Barren Land | : | 36,757 |
| Length of Coastal Line | : | | | 88 KM |
| Main Source of Irrigation | : | Krishna River, Surface Water | | |
| Railways | : | KMs | : | 97 |
| Roads | : | NH in kms | : | 421 |
| | | State Highway | : | 255 |

Resource Mapping:

| | | | | |
|--------------------------|---|--|--|--|
| Agriculture Produce (ha) | : | Paddy (2,72,029), Maize (47,932) Sugarcane (16,024) | | |
| Horticulture (ha) | : | Mango (57,382), Banana, Guava and oil palm | | |
| Minerals | : | Lime Stone – 42,12,734, Quartz – 13,444 | | |
| Power - Substations | : | 33 / 11 KV – 208, 132 KV – 14, 220 KV - 5 | | |
| Industrial Estates (ha) | : | There are around 17 Industrial Estates | | |
| Existing Industries | : | Micro and Small – Registered 6900 Medium and Large - 80 | | |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Automobile spare parts
2. Fish and shrimp processing and exports
3. Solvent extraction, refinery and by products
4. Tyres manufacturing
5. Integrated Agro processing and cold storage
6. Paper, straw products
7. Fruit processing, fruit pulp, canning and other products
8. Print solutions
9. Sugarcane based products
10. Palm oil based industries
11. Organic manures, Bio fertilizers
12. Poultry, Animal and Aqua feed industries
13. Dairy, Milk processing and milk products
14. Agricultural implements manufacturing
15. Ceramics and refractories
16. Food processing industries.
17. Steel almirahs manufacturing
18. Leather shoes manufacturing

GUNTUR DISTRICT

Guntur is one of the coastal district of Andhra Pradesh and proposed Capital city. The District has a coast line of 42 kms. The total area of the District is 11,328 sq. Kms.

District at a Glance:

| | | | |
|---------------------------|---------------------------|---|-----------|
| Population 2011 census | : Male | : | 24,41,128 |
| | Female | : | 24,48,102 |
| | Total | : | 48,89,230 |
| Literacy | : Percentage | : | 67.99 |
| Land Use | : Total area (ha) | : | 11,39,100 |
| | Agriculture use | : | 6,36,213 |
| | Forest Cover | : | 161941 |
| | Non Agriculture Land | : | 157303 |
| | Un Cultivable Barren Land | : | 34395 |
| Main Source of Irrigation | : Krishna Delta | : | |
| Railways | : KMs | : | 406 |
| Roads | : NH in kms | : | 72 |
| | Other roads kms | : | 3424 |

Resource Mapping:

| | |
|--|--|
| Agriculture – Major Food Crops (acres) | : Paddy is main crop followed by Sugarcane, Turmeric, Maize, Ground Nut and Pulses. |
| Horticulture (ha) | : Acid Lime, Sapota. The horticultural crops existing in the district are Sapota, Coconut, Banana, Cashew, Guava, Acid Lime, Orange, Papaya etc. |
| Minerals | : Lime Stone – 45,43,928, Quartz – 19,750, lime kankar, Napa slabs, Copper and Lead. |
| Industrial Estates (ha) | : 20 Estates |
| Existing Industries | : Micro and Small – Registered 7390 Medium and Large - 51 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Food processing industries
2. Agricultural implements manufacturing

3. Starch products
4. Dairy and milk products
5. Fertilizer and pesticides including mixed fertilizers
6. Granite cutting and polishing
7. Apparel and textiles
8. Paper products
9. Turmeric processing units
10. Cotton ginning, baling and other products
11. Detergents
12. Electrical and electronics
13. General engineering products
14. Paints and varnishes
15. Auto spare parts
16. Mineral based products.

PRAKASAM DISTRICT

Prakasam District is one of the coastal district of Andhra Pradesh carved out of Nellore and Guntur Districts. The total area of the District is 17,626 sq. Kms.

District at a Glance:

| | | | | |
|---------------------------|---|---|---|-----------|
| Population 2011 census | : | Male | : | 195,753 |
| | | Female | : | 182,508 |
| | | Total | : | 378,261 |
| Literacy | : | Percentage | : | 63.53 |
| Land Use | : | Total area (ha) | : | 17,62,600 |
| | | Agriculture use | : | 6,75,187 |
| | | Forest Cover | : | 461983 |
| | | Non Agriculture Land | : | 174878 |
| | | Un Cultivable Barren Land | : | 155488 |
| Power | : | 33/11 KV – 158, 132/33 KVA-12, 220/132 KVA-4 | | |
| Main Source of Irrigation | : | | | |
| Railways | : | KMs | : | 227 |
| Roads | : | NH in kms | : | 178 |
| | | Other roads kms | : | 3431 |

Resource Mapping:

| | | | | |
|--|---|--|--|--|
| Agriculture – Major Food Crops (acres) | : | Paddy (328477), Pulses (2,50,610), Sunflower (60,000), Tobacco (2,04,345), Cotton (1,01,952), Others (235600) | | |
| Horticulture (ha) | : | Mango(7365.00), Sweet Orange (20799.00), Acid Lime (1995.00), Cashew Nut (1113.00), Sapota (2738.00), Papaya (880.00), Banana (757.00), Guava (470.00) | | |
| Minerals | : | Silica Sand – 53,378, Quartz – 14,597 , Iron Ore, Slate, Barytes, Granite and Building stone, Lime Kankar etc. | | |
| Forest Products (ha) | : | Subabul (45000), Eucalyptus (54000), Casurina (10250), Bamboo (39000) | | |
| Industrial Estates (ha) | : | 10 Estates | | |
| Existing Industries | : | Micro and Small – Registered 6894 Medium and Large - 54 | | |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Granite cutting and polishing units, Granite monuments

2. Decorative Slate tiles
3. Drugs and Pharmaceuticals
4. Chemicals and Dyes
5. Paints and Varnishes
6. Leather tanning and Leather products
7. Apparel and textiles
8. Paper products
9. Bio- organics and Bio- fertilizers
10. Sea food processing
11. Cotton ginning and baling
12. Dairy, Milk processing and products.

SPSR NELLORE DISTRICT

Nellore District, the southernmost coastal district of Andhra Pradesh. The total area of the District is 13,076 sq. Kms.

District at a Glance:

| | | | | |
|---------------------------|---|-------------------------------|---|-----------|
| Population 2011 census | : | Male | : | 14,93,254 |
| | | Female | : | 14,72,828 |
| | | Total | : | 29,66,082 |
| Literacy | : | Percentage | : | 69.15 |
| Land Use | : | Total area (ha) | : | 13,07,600 |
| | | Agriculture | : | 5,40,038 |
| | | Forest Cover | : | 262787 |
| | | Non Agriculture Land | : | 256037 |
| | | Un Cultivable Barren Land | : | 138159 |
| Power | : | 80 Substations and 38 Feeders | | |
| Main Source of Irrigation | : | Pennar Delta | | |
| Railways | : | KMs | : | 221.23 |
| Roads | : | NH in kms | : | 184.20 |
| | | Other roads kms | : | 5016 |
| Ports | : | Major Krishnapatnam Port | | |

Resource Mapping:

| | | |
|-------------------------------------|---|---|
| Agriculture – Major Food Crops (MT) | : | Paddy (2,54,572), Bajra, Jowar, Ragi |
| Horticulture | : | Citrus, Mango, Papaya, Guava and Sapota |
| Minerals | : | Silica Sand – 21,39,623, Feldspar – 1,24,510, Quartz, Barytes, Vermiculate, Mica and Sand |
| Industrial Estates (ha) | : | 11 Estates |
| Existing Industries | : | Micro and Small – Registered 6975 Medium and Large - 110 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Husk based industries
2. Solvent extraction and refineries
3. Mineral Pulverizing and processing
4. Modern bricks
5. Dairy, Milk processing and milk products
6. Citric acid and citrus based products
7. Apparel and textiles
8. Automobile spare parts
9. Bio- organics
10. Seed processing
11. Straw boards and straw products.

CHITTOOR DISTRICT

Chittoor is the southernmost District of Andhra Pradesh. The District is connecting Tamilnadu and Karnakata States on the west and south. The total area of the District is 15,152 sq. Kms.

District at a Glance:

| | | | | |
|---------------------------|---|---------------------------|---|-----------|
| Population 2011 census | : | Male | : | 20,83,505 |
| | | Female | : | 20,86,963 |
| | | Total | : | 41,70,468 |
| Literacy | : | Percentage | : | 72.36 |
| Land Use | : | Total area (ha) | : | 15,15,200 |
| | | Agriculture use | : | 390487 |
| | | Forest Cover | : | 452018 |
| | | Non Agriculture Land | : | 155845 |
| | | Cultivable Barren Land | : | 46095 |
| Main Source of Irrigation | : | Rain fed and ground water | : | |
| Railways | : | KMs | : | 360 |
| Roads | : | NH in kms | : | 609 |
| | | Other roads kms | : | 10834 |

Resource Mapping:

| | | |
|-------------------------------------|---|---|
| Agriculture – Major Food Crops (MT) | : | Paddy (2,60,000 MT), Ragi (1,00,000 MT), Groundnut (2,85,000 MT) and Sugar Cane (20,70,000 MT) |
| Horticulture (MT) | : | Mango (3,58,617 MT), Cashew nut (161.5 MT), Tomato (4,00,000 MT), Papaya (6,000 MT), Tamarind (15,000 MT) |
| Minerals | : | Low-grade steatite, soap stone, Grate and also road metal and building stones, Granite in different colors of Black, Pink and Grey. |
| Animal Husbandry | : | The District is having about 3,00,000 milch animals yielding about 18 Lakh Liters of Milk per day. |
| Industrial Estates (ha) | : | 18 Estates (1430 acres) |
| Existing Industries | : | Micro and Small – Registered 13,493 Medium and Large - 158 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Cauterization of Granite Industry, Fruit Canning Units, Match Industry, Power Looms
2. Granite Cutting and Polishing
3. Mineral Pulverizing and processing
4. Stone Ware Pipes
5. Dairy, Milk processing and milk products
6. Granite Cutting and polishing
7. Apparel and textiles
8. Tamarind processing and products
9. Bio- organics
10. Sericulture based industries
11. Tomato processing
12. Leather tanning and leather products.

YSR KADAPA DISTRICT

YSR Kadapa District is surrounded by Kurnool Kurnool District on the North, Chittoor District on the South, Nellore on the East and Anantapur on the West of Andhra Pradesh. The total area of the District is 15,359 sq. Kms.

District at a Glance:

| | | | | |
|---------------------------|---|------------------------|---|-------------|
| Population 2011 census | : | Male | : | 13,03,110 |
| | | Female | : | 12,60,370 |
| | | Total | : | 25,63,480 |
| Literacy | : | Percentage | : | 67.88 |
| Land Use | : | Total area (ha) | : | 15,35,900 |
| | | Agriculture | : | 4,18,871 |
| | | Forest Cover | : | 500295 |
| | | Non Agriculture Land | : | 181017 |
| | | Cultivable Barren Land | : | 47125 |
| Main Source of Irrigation | : | KC canal | : | 1,00,000 ha |
| Railways | : | KMs | : | 195.13 |
| Roads | : | NH in kms | : | 137 |
| | | Other roads kms | : | 6352 |

Resource Mapping:

| | | |
|--------------------------------|---|--|
| Agriculture – Major Food Crops | : | Ground nut (57057), Paddy (53896), Sunflower, Cotton, Pulses |
| Horticulture (ha) | : | Mango (19212), Orange, Banana, Lemon, Papaya |
| Minerals | : | Lime Stone – 89,25,320, Grey Barytes – 23,85,428, Iron ore – 553453, Yellow Ochre, Clay, Dolomite, Quartz, Pyrophyllite, White Barytes |
| Power - Substations | : | 220 KVA -7, 132 KVA- 12, 33/11 KVA - 207 |
| Industrial Estates (ha) | : | 13 Estates (1935.55 acres) |
| Existing Industries | : | Micro and Small – Registered 1336, Unregistered 3035, Medium and Large - 26 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Rice milling and solvent extraction plants

2. Fruit pulp and canning industries
3. Apparel and Textiles
4. Cutting and polishing of Kadapa slabs
5. Pulverizing of Barytes
6. Barium Compounds
7. Fuel Briquettes
8. Cement and Steel plants
9. Stone cutting and slab polishing
10. Mineral processing and Pulverizing
11. Turmeric processing
12. Plastic products
13. Solar and wind power generation
14. Sericulture based industries.

KURNOOL DISTRICT

Kurnool District located in the West central part of Andhra Pradesh close to Karnataka State. The total area of the District is 1765.80 sq. Kms.

District at a Glance:

| | | | | |
|---------------------------|---|--|---|-----------|
| Population 2011 census | : | Male | : | 20,39,227 |
| | | Female | : | 20,14,236 |
| | | Total | : | 40,53,463 |
| Literacy | : | Percentage | : | 61.13 |
| Land Use | : | Total area (ha) | : | 1765800 |
| | | Agriculture use | : | 8,89,000 |
| | | Forest Cover | : | 340669 |
| | | Non Agriculture Land | : | 141193 |
| | | Cultivable Barren Land | : | 47884 |
| Main Source of Irrigation | : | Thungabadra, Handri, Kunderu and Krishna, KC canal | | |
| Railways | : | KMs | : | 340 |
| Roads | : | NH in kms | : | 228 |
| | | Other roads kms | : | 7300 |

Resource Mapping:

| | | |
|--------------------------------|---|--|
| Agriculture – Major Food Crops | : | Ground nut (1,01,318), Paddy (1,06,722), Sugarcane, Cotton, Sunflower, Jowar and Bajra |
| Horticulture (ha) | : | Mango, Citrus, Banana, Onions, Tomatoes, Chilies |
| Minerals | : | Lime Stone – 92,26,439, Iron Ore – 5,79,252, Barites, Shale |
| Power - Substations | : | 400 KVA – 1, 220 KVA – 3, 132 KVA -8 |
| Industrial Estates (ha) | : | 9 Industrial Estates |
| Existing Industries | : | Micro and Small – Registered 4853, Unregistered 17647, Medium and Large - 39 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Oil Mills and allied activities
2. Solar power and wind power
3. Apparel and Textiles
4. Limestone based units like Bleaching Powder
5. Groundnut, Decortications, Oil Extraction and by products
6. Tomato based products
7. Mineral based industries like Granite cutting and polishing
8. Cement plants
9. Stone cutting and slab polishing
10. Paints
11. Mini steel plants and sponge iron
12. Iron ore and Gold ore processing
13. Bio mass products
14. Sericulture based industries.

ANANTHAPURAMU DISTRICT

Ananthapuramu is the biggest District located in the western part of Andhra Pradesh close to Karnataka State. The total area of the District is 1913.00 sq.Kms.

District at a Glance:

| | | | | |
|---------------------------|---|------------------------------|---|----------------------------------|
| Population 2011 census | : | Male | : | 20,18,387 |
| | | Female | : | 20,64,928 |
| | | Total | : | 40,83,315 |
| Literacy | : | Percentage | : | 64.28 |
| Land Use | : | Total area (ha) | : | 19,13,000 |
| | | Agriculture use | : | 11,52,000 |
| | | Forest Cover | : | 196978 |
| | | Non Agriculture Land | : | 143462 |
| | | Cultivable Barren Land | : | 48856 |
| Main Source of Irrigation | : | Rain fed and Tank irrigation | : | |
| Railways | : | KMs | : | 340 Broad Gauge, 249 Meter Guage |
| Roads | : | NH in kms | : | 353 |
| | | Other roads kms | : | 8835 |

Resource Mapping:

| | | |
|--------------------------|---|--|
| Agriculture Produce (ha) | : | Ground nut (7,53,836), Paddy (48668), Sugarcane (28405), Sunflower, Jowar, Maize and Millets |
| Horticulture (ha) | : | Mango (6138), Mulberry (32769), Citrus, Guava, Castor and Papaya |
| Minerals | : | Iron ore – 102620, Dolomite – 1027641, Lime Stone – 13,76,672, Quartz – 1,20,044, Shale – 45362, Steatite – 25158, Prophyllite - 425 |
| Power - Substations | : | |
| Industrial Estates (ha) | : | Total 13 estates |
| Existing Industries | : | Micro and Small – Registered 250, Unregistered 6750, Medium and Large - 84 |

Potential for Micro, Small, Medium and Large Scale Industries:

1. Wind and solar Energy
2. Apparel and Textiles
3. Portland and slag cement units
4. Limestone based units like Bleaching Powder
5. Citrus fruit, Pulp, Juices, Canning, Skin powder etc.
6. Groundnut, Decortications, Oil Extraction and by products
7. Mineral based industries like Granite cutting and polishing, Iron ore calibration,
Iron ore crushing and screening
8. Bio diesel
9. Tamarind processing
10. Mini steel plants and sponge iron units
11. Cutting and polishing of Semi precious stones
12. Dolomite based cleaning and washing powders
13. Micro irrigation equipment.
