(Action: All line departments)

Agenda No-2:

Allotment of Plots in APIIC Industrial Park, Palasa.

The Vice Chairman & Managing Director, APIIC, Hyderabad has instructed the Zonal Managers to place the pending applications which are received for allotment of plots lands sheds etc., in the existing industrial parks before the DIPC meetings.

It is also brought to the notice that APIIC is implementing the ERP based online system in APIIC website for filling of applications by the prospective entrepreneurs against the vacancy available in APIIC on line vacancy. And also requested to kindly arrange to communicate the minutes of the DIPC meeting within two days of completion of the meeting, so that it will facilitate APIIC field staff for maintaining the vacancy of plots/lands in ERP system/APIIC website and to avoid criticism from the public.

We have one pending case for allotment, which was differed in the last DIPC meeting on 10.8.2015.

In this connection it is submitted that the Sub-committee meeting on plot allotment has been conducted by the Zonal Manager, APIIC Ltd., Visakhapatnam on 7.8.2015 and recommended to allot Plot No. CFC-1A to M/s Sri Venkata Lakshmi Weigh Bridge Enterprises, Palasa to an extent of 350 sq.mt for establishing weighing Bridge with an investment of Rs. 24.00 lakhs

Further the unit holder has also represented to the District Collector that he applied for site in CFC area of APIIC industrial Estate, Palasa, Kasibugga for 1299.00Sqm. But the Sub-committee meeting have approved only for 350 Sqm which is not sufficient for running of weigh Bridge. It requires large area as the vehicles have to move forward and backward slowly to take turnings easily. Hence he appealed to allot at least 900 Sqm i.e 30mtrs in length and 30 mtrs in breadth which will be sufficient to run the unit without any problem.

Hence, the issue is placed to the DIPC for approval of the District Collector and Chairman of Plot Allotment Committee.

The District Collector has reviewed this case in detail with Zonal Manager, APIIC and decided to allot 750 sqmt in APIIC, Industrial Park, Palasa to M/s Sri Venkata Laxmi Weigh Bridge Enterprises, Palasa for establishing weighing bridge and the balance land may be used for Bank/Post office or ATM etc.,

(Action: AZM, APIIC)
