5. INTRODUCTION AND BACKGROUND

5.1 INTRODUCTION

Andhra Pradesh is one of the most progressive, forward-looking and advanced states in the country when it comes to infrastructure development & employment generation efforts. Andhra Pradesh Industrial Infrastructure Corporation Limited (the “**APIIC**” or the “**Authority**”), fully owned by the GoAP, is a progressive organization responsible for development of Industrial Infrastructure in the state of Andhra Pradesh. APIIC is known for creating landmark infrastructure projects in the state, which are fueling the economic growth in the state.

In order to achieve the key target of developing vibrant and efficiently functioning industrial areas, APIIC has taken up the task of identifying suitable opportunities for developing industrial park projects through private sector participation.

5.2 PROPOSED PROJECT

With above background, APIIC has planned for the development of a MSME Industrial Park on Public Private Partnership (“**PPP**”) basis, for this purpose, a land parcel of 90 Acre is identified and it is proposed to select a developer for development of MSME Industrial park at Mangadu, Chittoor District in Andhra Pradesh through a Development Agreement (“**Project**”) which shall cater to the demands of MSME entrepreneurs in the region. APIIC has decided to undertake the development of the Project through private sector participation and has decided to carry out the bidding process for selection of a private entity to whom the Project may be awarded as per the terms and conditions laid down in this Request for Proposal (“**RFP**”). The Bidding Documents can be downloaded from the website www.apecurement.gov.in.

For this purpose, Proposals are invited from Bidders with the objective to select a developer, having the financial capability, project management and development experience to successfully develop, finance, build, operate & maintain the Project and who offers the best commercial terms to APIIC.

APIIC proposes to enter into an Agreement with the Bidder having the required strengths to:

- Design, finance and construct the proposed Project
- Operate and maintain the Project effectively.
- Market the Project to achieve optimum levels of capacity utilization and efficient, cost-competitive, value-added service to the users.

Towards this end, APIIC invites proposals from interested parties for implementation of the Project as per the terms and conditions of this RFP.

5.3 PROJECT STRUCTURE

APIIC would entrust and hand over to the Selected Bidder, the right of development of the Project on the Scheduled Property. The relationship between APIIC and the Selected Bidder would be set forth and described under the terms and conditions of the Agreement to be entered between APIIC with the Developer. Further, the Selected Bidder can avail the incentives available under “**Andhra Pradesh Policy for establishment of Private Industrial Parks with ‘Plug and Play’ Industrial infrastructure (4.0) 2024-29**”. The general guidelines for development of the Project are specified in Annexure-1 of this RFP.

5.3.1 Responsibilities of the Selected Bidder

The Selected Bidder shall be entirely responsible for:

- a) Submission of Performance Security to APIIC (as detailed in Annexure-2 of this RFP) within 30 (thirty) days from the issuance of Letter of Award (LoA) by APIIC.
- b) Submission of Detailed Project Report (DPR) within 45 (forty-five) days from the date of issuance of Letter of Award (LoA) by APIIC. The DPR shall cover details including, but not limited to, detailed layout plan, construction schedule, cost estimates, etc.

APIIC and the Selected Bidder shall mutually agree on identification of their respective share of developed/plot area. APIIC shall reserve the right to solicit any clarifications to the DPR and suggest modifications to the Project specifications which may result in a change in the Project Cost up to a maximum of 5% (five percent) as compared to the one estimated in the DPR. In case APIIC do not solicit any clarifications/ modifications to the DPR submitted by the Developer within 15 (fifteen) days of such submissions, the DPR shall be deemed to have been approved by APIIC. Review of DPR by APIIC is solely to verify whether the DPR adheres to the general guidelines (as specified in the RFP) for development of the Project. The Selected Bidder shall obtain all relevant approvals for the layout plan from the concerned authorities.

- c) Demonstrating the proof of availability of funds and achievement of financial closure from credible financial institutions within 6 (six) months from the Commencement Date. The Selected Bidder shall submit to APIIC all relevant term sheets, binding agreements and supporting documentation evidencing such financial closure. Subject to the prior written consent of APIIC, which shall not be unreasonably withheld, the Selected Bidder shall be entitled to mortgage, assign, or otherwise create security over its rights and interests under the Development Agreement in favor of its lenders, solely for the purpose of securing financing for the Project. Notwithstanding anything to the contrary contained herein, the Selected Bidder shall not mortgage, charge, pledge, lien, or otherwise encumber the Scheduled Property in any manner whatsoever.
- d) Procurement of all necessary approvals, sanctions, permits etc required for commencing and implementing the Project within 6 (six) months from the Commencement Date.
- e) Enter into a Sharing Agreement within 30 (thirty) days from the approval of the proposed layout plan, clearly demarcating/earmarking the allocated share of developed/plot area for both APIIC and the Selected Bidder. The allocation shall be guided by the principle of equitable and balanced distribution, ensuring that both the parties receive their proportionate share aligned with fair revenue-generating potential.
- f) Start construction within 6 (six) months from the Commencement Date.
- g) Implementation of the Project as per specifications and time schedule given in the RFP & subsequently in the Agreement.
- h) Achievement of Project Completion Date within 18 (eighteen) months from the Commencement Date.
- i) After completion of the construction in all aspects, put APIIC in possession of its share of developed/plot area.
- j) Marketing and promotion of the Project.
- k) Operation and maintenance of the Project safely and securely as per the standards to provide the required levels of service to its users.
- l) Upkeep of safety and quality standards at all amenities of the Project.

- m) Collection, appropriation and allocation of revenue, fees, charges from the users of the Project.
- n) Payment of all dues under the Agreement to APIIC and other competent authorities.

The Selected Bidder may sub-contract/ franchise-out functions of operations/ maintenance / management of the Project with such agencies as it may consider competent and fit. Copies of all such agreements/ franchise shall be furnished to APIIC from time to time for record. However, the Developer would at all times be responsible for discharging all its obligations under the Agreement without any reference to any other party operating in the premises and all such sub-contracts/ franchise shall be dependent of and co-terminus with the agreement.

5.3.2 Role of APIIC

- a) Handover the possession of the Scheduled Property to the Selected Bidder
- b) Execute a registered General Power of Attorney in favour of the Developer authorizing him for:
 - Securing various statutory clearances, sanctions, permissions, No Objection Certificates, etc., as may be required to implement the Project on the Scheduled Property.
 - Entering into agreements of sale/lease with respect to entitlement of the Developer's share of plotted area in the Scheduled Property and to receive sale/lease consideration, appropriate the same, execute sale/lease deeds in favour of prospective purchasers/lessees.
- c) Provide reasonable support and assistance to the Selected Bidder in procuring Applicable Permits required from any Government Instrumentality for implementation and operation of the Project.
- d) Provide reasonable assistance to the Selected Bidder in obtaining access to all necessary infrastructure facilities and utilities, including water and electricity at rates and on terms no less favourable to the Selected Bidder than those generally available to commercial customers receiving substantially equivalent services.
- e) Procure External Infrastructure upto the boundary of the Scheduled Property.

5.3.3 Conditions Precedent for executing Agreement and handover of the possession of the Scheduled Property to the Selected Bidder.

APIIC shall enter into a 'Development Agreement' with the Selected Bidder and handover the possession of the Scheduled Property to the Selected Bidder within 30 (thirty) days from the fulfillment of the below conditions:

- a) Submission of Performance Security by the Selected Bidder (as detailed in Annexure-2 of this RFP) within 30 (thirty) days from the issuance of Letter of Award (LoA) by APIIC.
- b) Submission of DPR by the Selected Bidder within 45 (forty-five) days from the date of issuance of Letter of Award (LoA) and examination of the DPR by APIIC in order to verify whether the DPR adheres to the general guidelines (as specified in the RFP) for development of the Project.
- c) Upon issue of the Letter of Award, the Selected Bidder shall be entitled to carry out title due diligence through its solicitors to satisfy itself regarding the title to the Scheduled Property. APIIC shall promptly answer all queries raised by the Selected Bidder's solicitors. Subject to the same, the Selected Bidder shall complete the due diligence within a period

of 60 (sixty) days from the date of issuance of the Letter of Award. In the event that the due diligence process discloses any issues which APIIC is unable to address to the Selected Bidder's satisfaction, the Bid Security shall stand released and the Selected Bidder shall have no further obligation or liability with respect to the execution of the Project.

5.3.4 Conditions Precedent for release of Performance Security

The Performance Security of the Selected Bidder shall be released upon 100% (hundred percent) construction completion of the proposed MSME industrial park as per the Detailed Project Report prepared by the Selected Bidder. The Selected Bidder shall achieve Project Completion Date within 18 (eighteen) months from the Commencement Date. In case of failure to comply with this timeline, APIIC shall have right to cancel the 'Development Agreement' and to resume the unused Scheduled Property apart from deducting the occupation charges from the Performance Security, as specified in the 'Development Agreement'.

Upon construction completion of the proposed industrial park, a certificate shall be obtained by the Developer from Chartered Engineer, about the construction activities completed and whether the construction is as per the approved layout plan and the same shall be furnished to the Zonal Manager for verification. The Zonal Manager shall get the Project surveyed to certify the project implementation, if completed as per the DPR.

5.4 PROJECT CONCEPT

The basic project concept conceived by APIIC requires the Selected Bidder to develop a MSME Industrial Park as per the terms of this RFP and all items contracted to be created as per Agreement to be signed with the Selected Bidder. Bidders may develop their own design and draw up their estimates of cost. The Bidders shall provide information concerning this as per the format specified in Exhibit-7.

5.5 CONFORMANCE TO STANDARDS

The Selected Bidder shall conform and comply with all relevant laws, rules and regulations including the following:

- Project Design and Layout as approved by Competent Authority.
- Statutory guidelines issued by Central / State / Local Authority (ies) for MSME Industrial Parks.
- Compliance with relevant Zoning Regulations.
- Environmental Standards and Pollution Control Norms as laid down by Central / State Pollution Control Board.
- Standards / Restrictions as laid down by the relevant Central / State / Local Authority (ies) for proper treatment and discharge of solid and liquid waste.
- Guidelines for adoption of Rainwater management systems to recharge ground water and reduce run-off.
- Existing local development controls, under law for the time being in force shall be binding if they are more limiting than the Project Specifications.

5.6 APPROVALS AND SUPPORT OF APIIC TO THE PROJECT

It shall be the responsibility of the Bidder to secure all necessary approvals, sanctions, permits etc. from the concerned authorities for development & operation of the project at their cost and expense and APIIC will provide reasonable assistance to the Selected Bidder in obtaining clearances and approvals.

5.7 COMMITMENT TO A FAIR AND TRANSPARENT PROCESS

APIIC is keen to ensure that the process leading to the selection of the Bidder is fair, transparent, efficient, interactive, and protects the confidentiality of the information shared by Bidders with it. The selection process has been designed keeping these objectives in mind, and APIIC shall take all steps to ensure that the above objectives are realized.

5.8 MISCELLANEOUS

5.8.1 The Bidding Process shall be governed by, and construed in accordance with, the laws of India and the Courts at [Vijayawada] shall have exclusive jurisdiction over all disputes arising under, pursuant to and/or in connection with the Bidding Process.

5.8.2 The Authority, in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to;

- a) suspend and/or cancel the Bidding Process and/or amend and/or supplement the Bidding Process or modify the dates or other terms and conditions relating thereto;
- b) accept or reject any Bid and to annul the Bidding Process and reject all bids at any time without any liability or any obligation for such acceptance, rejection, or annulment, and without assigning any reasons thereof;
- c) consult with any Bidder in order to receive clarification or further information;
- d) retain any information and/or evidence submitted to the Authority by, on behalf of, and/or in relation to any Bidder; and/or
- e) independently verify, disqualify, reject and/or accept any and all submissions or other information and/or evidence submitted by or on behalf of any Bidder.

It shall be deemed that by submitting the Bid the Bidder agrees and releases the Authority, its employees, agents and advisers are irrevocably, unconditionally, fully and finally indemnified from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and/ or performance of any obligations hereunder and the Bidding Documents, pursuant hereto, and/ or in connection with the Bidding Process, to the fullest extent permitted by Applicable Law, and waives any and all rights and/ or claims it may have in this respect, whether actual or contingent, whether present or in future.

6. DESCRIPTION OF THE SELECTION PROCESS

6.1 SELECTION PROCESS

The submission of Bids by interested parties in response to the Request for Proposal is as indicated below:

- a. Technical Proposal
- b. Business Proposal
- c. Financial Proposal

The Bids received would be subject to a responsiveness check followed by a step-wise evaluation procedure as described below.

6.2 RESPONSIVENESS OF BID

The Bids submitted by Bidders shall be initially scrutinized to establish “Responsiveness”. A Bid may be deemed “Non-responsive” if it does not satisfy any of the following conditions:

- It is not received within the time and date specified.
- It does not include sufficient information for evaluation and/or is not in the formats specified or incomplete in any respect.
- It is not signed and/or sealed in the manner and to the extent indicated in Section 6 of this RFP.
- It is not accompanied by the requisite Bid Processing Fee and/or the valid Bid Security.

Following is the process of Evaluation of Responsive Bids.

6.3 STEP 1 EVALUATION OF TECHNICAL PROPOSAL (Pre-qualification)

The Evaluation Criteria for the Technical Proposal and the information to be submitted are detailed in Section 8/Exhibit-6 of this RFP.

6.4 STEP 2 EVALUATION OF BUSINESS PROPOSAL

The Evaluation Criteria for the Business Proposal and the information to be submitted are detailed in Section 9/Exhibit-7 of this RFP.

6.5 STEP 3 EVALUATION OF FINANCIAL PROPOSAL

The evaluation criteria for assessment of the Financial Proposal are described in Section 10. The format for the Financial Proposal is specified in Section 18/ Exhibit-8 of this RFP. The Financial Proposal of the bidders shall be evaluated as detailed in Section 10 of this RFP. A ranked list of Bidders based on the results of the evaluation, as detailed in Section 10 of this RFP, would be prepared for selection of the top ranked Bidder.

7.7 INSTRUCTIONS TO BIDDERS

All Bidders should note the following:

1. Bids that are incomplete in any respect or those that are not consistent with the requirements as specified in this Request for Proposal or those that do not contain the Covering Letter, Letter of Commitment, or Letters of Acceptance as per the specified formats may be considered non-responsive and may be liable for rejection.
2. Strict adherence to formats, wherever specified, is required. Non-adherence to formats

may be a ground for declaring the Bid non-responsive.

3. For a Bidding Consortium, the Bid submitted by the Consortium should contain signed letters submitted by each of the Consortium Members, stating that the entire Bid has been examined and each key element of the Bid is agreed to, in the format as specified in Exhibit-2.
4. In case a Bidding Consortium is identified as the Selected Bidder, the Lead Member shall continue to remain the representative of the Developer and shall be responsible to APIIC for the fulfilment of all contractual obligations binding on the Developer.
5. All communications and information should be provided in writing and in English language only.
6. The metric system shall be followed for all units of measurement.
7. All communication and information provided should be legible, and wherever the information is given in figures, the same should also be mentioned in words. In case of conflict between amounts stated in figures and words, the amount stated in words will be taken as correct.
8. No change in or supplementary information to a Bid shall be accepted once submitted. However, APIIC reserves the right to seek additional information from the Bidders, if found necessary during the course of evaluation of the Bid. In case of non-submission, incomplete submission or delayed submission of such additional information or clarifications sought by APIIC, the Bid would be evaluated solely on the basis of the available information.
9. The Bids shall be evaluated as per the criteria specified in this RFP. However, within the broad framework of the evaluation parameters as stated in the Request for Proposal, APIIC reserves the right to make modifications to the stated evaluation criteria, which would be uniformly applied, to all the Bidders.
10. The Bidder should designate one person (“Authorized Representative and Signatory”) authorized to represent the Bidder in its dealings with APIIC. The “Authorized Representative and Signatory” shall hold the Power of Attorney and be authorized to perform all tasks including but not limited to providing information, responding to enquiries, entering into contractual commitments on behalf of the Bidder etc. The Covering Letter submitted by the Bidder shall be signed by the Authorized Signatory and shall bear the stamp of the entity thereof.
11. The Bid (and any additional information requested subsequently) shall also bear the initials of the Authorized Signatory and stamp of the entity thereof on each page of the Bid.
12. For a Bidding Consortium, no change in the membership of the consortium, in responsibilities or in equity commitments of any Consortium Member whose strengths are being credited for evaluation, shall be permitted after submission of the Bid.
13. The Bidder / Consortium should commit to hold at least 76% (seventy six percent) of the aggregate shareholding of the Developer at least till the fifth anniversary of the Project Completion Date. The equity may be brought down to 51% (fifty one percent) with the prior approval of APIIC. In case of Consortium,
 - (i) The Technical Member would be required to commit to hold a minimum equity stake equal to 26% (twenty six percent) of the aggregate shareholding of the Developer at least till the fifth anniversary of Project Completion Date.
 - (ii) The Financially Significant Consortium Member would be required to commit to hold

- a minimum equity stake equal to 26% (twenty six percent) of the aggregate shareholding of the Developer, at least till the fifth anniversary of Project Completion Date.
- (iii) In case the Technical Member is also a Financially Significant Consortium Member, then such member is required to commit to hold a minimum equity stake equal to 26% (twenty six percent) of the aggregate shareholding of the Developer, at least till the fifth anniversary of Project Completion Date.
- (iv) In any case, notwithstanding the above, the Lead Member, shall not be allowed to change its equity contribution, if it results in its equity holding becoming less than 26% (twenty six percent) at any time till the fifth anniversary of Project Completion Date.
14. In case of companies, a letter has to be submitted along with the Board Resolution confirming to invest the required equity in the project. In case of partnership firms, a letter signed by all the partners of the firm confirming to invest the required equity in the project has to be submitted. In case of individuals, letters confirming the equity investment in the project has to be submitted.
15. APIIC reserves the right to vet and verify any or all information submitted by the Bidder.
16. If any claim made or information provided by the Bidder in the Bid or any information provided by the Bidder in response to any subsequent query by APIIC, is found to be incorrect or is a material misrepresentation of facts, then the Bid will be liable for rejection. Mere clerical errors or bona-fide mistakes may be treated as an exception at the sole discretion of APIIC and if APIIC is adequately satisfied.
17. The Selected Bidder would be required to form a Special Purpose Vehicle of the nature of the 'Developer' as was defined in the Section 4.9 of this RFP for the implementation and operations of the project.
18. The Bidder shall be responsible for all the costs associated with the preparation of the Bid. APIIC shall not be responsible in any way for such costs, regardless of the conduct or outcome of this process.
19. A Bidder shall not have a conflict of interest (the "**Conflict of Interest**") that affects the bidding process. Any Bidder found to have a Conflict of Interest shall be disqualified. In the event of disqualification, APIIC shall be entitled to forfeit and appropriate the Bid Security or the Performance Security submitted by the Selected Bidder, as the case may be, as mutually agreed genuine pre-estimated loss and damage likely to be suffered and incurred by APIIC and not by way of penalty for, inter alia, the time, cost and effort of APIIC, including consideration of such Bidder's proposal (the "**Damages**"), without prejudice to any other right or remedy that may be available to APIIC under the Bidding Documents and/ or the Agreement or otherwise. Without limiting the generality of the above, a Bidder shall be deemed to have a Conflict of Interest affecting the bidding process, if:
- i. the Bidder, its Consortium Member or Associate (or any constituent thereof) and any other Bidder, its Consortium Member or any Associate thereof (or any constituent thereof) have common controlling shareholders or other ownership interest; provided that this disqualification shall not apply in cases where the direct or indirect shareholding of a Bidder, its Consortium Member or an Associate thereof (or any shareholder thereof having a shareholding of more than 5% (five percent) of the paid up and subscribed share capital of such Bidder, Consortium Member or Associate, as the case may be) in the other Bidder, its Consortium Member or Associate, is less than 5% (five per cent) of the subscribed and paid up

equity share capital thereof; provided further that this disqualification shall not apply to any ownership by a bank, insurance company, pension fund or a public financial institution referred to in sub-section (72) of section 2 of the Companies Act, 2013. For the purposes of this Section 7.7 (19), indirect shareholding held through one or more intermediate persons shall be computed as follows: (a) where any intermediary is controlled by a person through management control or otherwise, the entire shareholding held by such controlled intermediary in any other person (the “**Subject Person**”) shall be taken into account for computing the shareholding of such controlling person in the Subject Person; and (b) subject always to sub-section (a) above, where a person does not exercise control over an intermediary, which has shareholding in the Subject Person, the computation of indirect shareholding of such person in the Subject Person shall be undertaken on a proportionate basis; provided, however, that no such shareholding shall be reckoned under this sub-section (b) if the shareholding of such person in the intermediary is less than 26% of the subscribed and paid up equity shareholding of such intermediary; or

- ii. a constituent of such Bidder is also a constituent of another Bidder; or
- iii. such Bidder, its Consortium Member or any Associate thereof receives or has received any direct or indirect subsidy, grant, concessional loan or subordinated debt from any other Bidder, its Consortium Member or Associate, or has provided any such subsidy, grant, concessional loan or subordinated debt to any other Bidder, its Consortium Member or any Associate thereof; or
- iv. such Bidder has the same legal representative for purposes of this Bid as any other Bidder; or
- v. such Bidder, or any Associate thereof, has a relationship with another Bidder, or any Associate thereof, directly or through common third party/ parties, that puts either or both of them in a position to have access to each other’s information about, or to influence the Bid of either or each other; or
- vi. such Bidder or any Associate thereof has participated as a consultant to APIIC in the preparation of any documents, design or technical specifications of the Project.

For purposes of this RFP, Associate means, in relation to the Bidder, a person who controls, is controlled by, or is under the common control with such Bidder, or is deemed or published as an “**Associate Office**”; or has a formal arrangement such as tie up for client referral or technology sharing, joint venture with the Bidder (the “**Associate**”); provided, however, that if the Bidder has any formal arrangement such as consortium membership in a consortium of advisers/ consultants for a particular assignment/ project, not being this project, with any other person, then such other person shall not be treated to be an Associate of the Bidder solely due to the reason of forming such consortium. As used in this definition, the expression “**control**” means, with respect to a person which is a company or corporation, the ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such person, and with respect to a person which is not a company or corporation, the power to direct the management and policies of such person by operation of law or by contract.

7.8 FRAUD AND CORRUPT PRACTICES

The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the bidding process and subsequent to the issue of the Letter of Award (LoA) and during the subsistence of the Agreement. Notwithstanding anything to the contrary contained herein, or in the LoA or the Agreement, APIIC may reject a Bid, withdraw the LoA, or terminate the Agreement, as the case may be, without being liable in any manner whatsoever to the Bidder or Selected Bidder, as the case may be, if it determines that the Bidder or Selected Bidder, as the case may be, has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice, false statement, misrepresentation, restrictive practice in the bidding process or has violated the terms of the Bid. In such an event, APIIC shall be entitled to cancel the Bid and forfeit and appropriate the Bid Security or the Performance Security submitted by the Selected Bidder, as the case may be, as Damages, without prejudice to any other right or remedy that may be available to APIIC under the Bidding Documents and/or the Agreement, or otherwise. In such an events, the Bidder will not be entitled to any compensation whatsoever, or refund of any other amount.

Without prejudice to the rights of APIIC hereinabove and the rights and remedies which APIIC may have under the LoA or the Agreement, or otherwise if a Bidder or Selected Bidder, as the case may be, is found by APIIC to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the bidding process, or after the issue of the LoA or the execution of the Agreement, such Bidder or Selected Bidder, as the case may be, shall not be eligible to participate in any tender or RFP issued by APIIC during a period of 2 (two) years from the date such Bidder or Selected Bidder, as the case may be, is found by APIIC to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practices, as the case may be.

For the purposes of this Section 5.7, the following terms shall have the meaning hereinafter respectively assigned to them:

- (a) **“corrupt practice”** means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the bidding process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of APIIC who is or has been associated in any manner, directly or indirectly, with the bidding process or the LoA or has dealt with matters concerning the Agreement or arising therefrom, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of APIIC, shall be deemed to constitute influencing the actions of a person connected with the bidding process);
- (b) **“fraudulent practice”** means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the bidding process;
- (c) **“coercive practice”** means impairing or harming, or threatening to impair or harm, directly or indirectly, any person or property to influence any person’s participation or action in the bidding process;
- (d) **“undesirable practice”** means (i) establishing contact with any person connected with or employed or engaged by APIIC with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the bidding process; or (ii) having a Conflict of Interest; and
- (e) **“restrictive practice”** means forming a cartel or arriving at any understanding or arrangement among Bidders with the objective of restricting or manipulating a full and

fair competition in the bidding process.

7.9 VALIDITY OF TERMS OF THE BID

Each Bid shall indicate that it is a firm and irrevocable offer and shall remain valid and open for a period of not less than 6 (six) months from the last date for submission of the Bid. Non-adherence to this requirement may be a ground for declaring the Bid as non-responsive. However, APIIC may solicit the Bidder's consent for extension of the period of validity. Requests for additional Information or for extension of validity are procedural and do not indicate qualification of the Bidder in the process. The Bidder agrees to reasonably consider such a request. The request and response shall be in writing. A Bidder accepting APIIC's request for extension of validity shall not be permitted to modify his Bid in any other respect.

7.10 FEES AND DEPOSITS TO BE PAID BY THE BIDDERS AND SELECTED BIDDER

7.10.1 Bid Processing Fee

Bidders are requested to pay a non-refundable Bid Processing Fee for an amount specified in the Annexure-2 of this RFP. This will be paid through online mode. Scanned copy of online payment receipt to be uploaded in the e-procurement portal of AP (www.apecurement.gov.in). Bids that are not accompanied by the above bid-processing fee shall be rejected by APIIC as non-responsive.

7.10.2 Bid Security

Bidders are required to submit a Bid Security for an amount specified in the Annexure-2 of this RFP valid for 6 (six) months from the last date for submission of the Bid and shall accompany Technical Proposal. The Bid Security shall be in the form of a Bank Guarantee from any Scheduled Bank. In case of Foreign Bidders, the Bank Guarantee shall have to be from the corresponding local branch of the Foreign Bank. The form of the Bank Guarantee shall be as per the Format indicated in Exhibit-3.

Bids, which are not accompanied by the above bid security, shall be rejected by APIIC as non-responsive. APIIC shall reserve the right to forfeit the Bid Security (by invoking the Bank Guarantee) under the following circumstances:

- a) If the Bidder engages in a corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice as specified in Section 7.8 of this RFP;
- b) If the Bidder withdraws the bid at any time during the stipulated period of Bid validity as per Section 7.9 of this RFP (or as may be extended)
- c) If the Bidder, for the period of Bid validity: (i) In APIIC's opinion, commits a material breach of any of the terms and/or conditions contained in the RFP and/or subsequent communication from APIIC in this regard and/or (ii) Fails or refuses to execute the Letter of Award (in the event of the award of the Project to it) and/or (iii) Fails or refuses to submit the Performance Security within the stipulated time and/or (iv) Fails or refuses to sign the Agreement.

The Bid Security of the unsuccessful Bidders (after opening of Financial Proposal) shall be released after 30 (thirty) days following the announcement of award of the Project to the Selected Bidder and the issuance of the Letter of Award.

The Bid Security of the Selected Bidder shall be released on submission of the Performance

Security for an amount as specified in the Annexure-2 of this RFP.

7.10.3 Performance Security

The Selected Bidder shall submit a Performance Security for an amount specified in the Annexure-2 of this RFP valid for 6 (six) months from the scheduled Project Completion Date. The Bid Security shall be in the form of a Bank Guarantee from any Scheduled Bank. The form of the Bank Guarantee shall be as per the format provided along with the Letter of Award (LoA) to be issued by APIIC to the Selected Bidder.

APIIC shall reserve the right to forfeit the Performance Security (by invoking the Bank Guarantee) under the following circumstances:

- d) If the Selected Bidder engages in a corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice as specified in Section 7.8 of this RFP;
- e) If the Selected Bidder commits a material breach of any of the terms and/or conditions contained in the RFP and/or Agreement.

The Performance Security of the Selected Bidder shall be released upon 100% (hundred percent) construction completion of the proposed industrial park as per the Detailed Project Report prepared by the Selected Bidder.

19.1 General Guidelines for development of the Project

The Project shall be implemented in accordance with the specifications provided under the Operational Guidelines for “Andhra Pradesh Policy for establishment of Private Industrial Parks with ‘Plug and Play’ Industrial infrastructure (4.0) 2024-29”.

19.2 Details of Scheduled Property

Project is envisaged to be developed at Mangadu, Chittoor District in Andhra Pradesh. The Scheduled Property has an area of 90 Acre as per the maps/drawings furnished herewith.

About the Location

The Economic Development Board (EDB) had identified five focus sectors in Chittoor District as an ideal investment destination to investors namely Automobile and Auto Components, Heavy and Light Engineering, Agro and Food Processing, Electrical and IT, Textile and Apparels.

The Govt. of Andhra Pradesh endeavours to develop Chittoor district into an industrial hub as it is situated at a strategic location with excellent road connectivity through the VCIC and CBIC corridors. The proposed Industrial Park is uniquely positioned among all other industrial parks being conceived for economic impact in the vicinity of two states of Andhra Pradesh and Tamil Nadu. Its location provides an advantage of being near to the CBIC and VCIC developmental proposals. This offers the IP a distinct potential thereby being positioned as an attractive investment destination.

The Developer shall allot the [developed/plot area] in the Project to the intending allottees thereof and to enter into agreements while complying with relevant laws, rules and regulations. The Developer shall be entitled to utilize the Developer’s Share of [developed/plot area] for any permissible use under the Andhra Pradesh Policy for Establishment of Private Industrial Parks (4.0) 2024–29, in compliance with applicable laws and regulations. However, APIIC reserves the right to revoke the GPA in the event of a material breach of this Agreement by the Developer and the GPA shall be coterminous with this Agreement and shall automatically stand cancelled upon termination or expiry of this Agreement.

5. The Developer shall pay charges/taxes for supply of water, electricity and other services to the administration or some other agency as the case may be as per applicable law, within the stipulated time, from the date of handing over possession of the Scheduled Property to the Developer, failure in respect of which would entail the services being disconnected.
6. The Developer shall bear, pay and discharge all existing and further amounts, duties, imposing and outgoing of whatsoever taxes imposed or charged upon the Scheduled Property or upon the occupier in respect thereof from the Commencement Date.
7. The Developer having agreed to hold the Scheduled Property on the terms and conditions hereinafter mentioned. APIIC hereby authorizes the Developer to perform its obligations as detailed in this Agreement. APIIC will not be responsible for any claims arising out of or related to the development of the Project or allotments of the [developed/plot area] by the Developer, from any third parties.
8. It is agreed that the Developer shall comply with and abide by the terms and conditions which, without limitation, are expressly set forth in this Agreement, and it is further agreed as follows.
 - a) The Developer has prepared and submitted the final Detailed Project Report (“DPR”) (Schedule-2 of this Agreement) to APIIC. The Developer shall use the Scheduled Property for setting up of the Project and the Developer agree that they shall not put up any structure or building other than the approved DPR and as agreed upon through this Agreement. In case of any deviation, the Developer shall take prior permission in writing from APIIC.
 - b) The Developer expressly agree and undertake that the Scheduled Property shall be utilized exclusively for the purpose set forth in this Agreement and that no change shall be made without the written sanction of APIIC. Any unauthorized change shall be treated as a material breach giving APIIC the right to terminate this Agreement.
 - c) The share of the [developed/plot area] for joint development shall be as follows:

1.	APIIC	_____ Sqm (“APIIC’s Share”)
2.	Developer	Shall keep remaining [developed/plot area] (“Developer’s Share”)

All common facilities, including but not limited to internal roads, security infrastructure, administrative offices, boundary walls, electrical transformers, water inlet and outlet systems, designated green zones and plantation areas, rainwater harvesting systems, and non-usable land parcels, shall be expressly excluded from the computation of [developed/plot area].

- d) The Developer shall, within 6 (six) months from the Commencement Date, demonstrate proof of availability of funds and achieve financial closure from credible financial institutions. The Developer shall submit to APIIC all relevant term sheets, binding agreements and supporting documentation evidencing such financial closure.

Subject to the prior written consent of APIIC, which shall not be unreasonably withheld, the Developer shall be entitled to mortgage, assign, or otherwise create security over its rights and interests under this Development Agreement in favor of its lenders, solely for the purpose of securing financing for the Project. The Developer shall indemnify and hold harmless APIIC from and against any financial liability, claim or obligation arising out of or in connection with such mortgage or assignment.

Subject to the rights of statutory secured creditors under applicable laws, the Developer agrees that all dues, damages, penalties, or any other amounts payable to APIIC under this Agreement shall have first charge over payments to any shareholder, affiliate, contractor, or unsecured creditor.

Notwithstanding anything to the contrary contained herein, the Developer shall not mortgage, charge, pledge, lien, or otherwise encumber the Scheduled Property in any manner whatsoever. Any breach of this provision shall constitute a material default under this Agreement and shall render this Agreement liable for immediate termination, without the requirement of prior notice, at the sole cost and risk of the Developer.

- e) Within 6 (six) months from the Commencement Date, the Developer shall apply to the competent authorities and procure all necessary approvals, sanctions, permits etc required for commencing the Project implementation. The Developer shall make necessary applications and sign all papers, to appear before the competent authorities to pay necessary fees/premium required and to do all other acts and things as may be necessary for getting the necessary approvals, sanctions, permits etc. APIIC shall provide reasonable support and assistance to the Developer in facilitating the timely procurement of the Critical Clearances required from any Government Instrumentality for implementation and operation of the Project. The Developer shall be solely responsible to obtain and strictly comply with all the statutory and regulatory compliances in implementation of the Project including but not limited to layout approval, environmental clearance, consent for establishment as per pollution control norms, labor welfare obligations, etc. In case of any violation/deviation/non-compliance, APIIC has right to suspend work, impose penalties, or terminate the Agreement at the option of APIIC.
- f) The Developer shall apply for and obtain permission for water supply, electricity supply, laying down drainage and for other amenities as are generally required. The Developer shall incur, pay and bear on its own account all the deposits payable to Electricity and Water Board and any other expenses required for such connections for the development on the Scheduled Property. APIIC shall provide reasonable assistance to the Developer in obtaining access to all necessary infrastructure facilities and utilities, including water and electricity at rates and on terms no less favourable to the Developer than those generally available to commercial customers receiving substantially equivalent services.
- g) Within 30 (thirty) days from the approval of the proposed layout plan, the Developer shall execute a Sharing Agreement with APIIC, clearly delineating the respective allocations of the [developed/plot area] as mutually agreed in the final Detailed Project Report (DPR). Such allocation shall be guided by the principle of equitable and balanced distribution, ensuring that both the parties receive their proportionate share aligned with fair revenue-generating potential.
- h) The Developer shall Start construction within 6 (six) months from the Commencement Date. The Developer shall implement the Project on the Scheduled Property as per the sanctioned plans and according to specifications and other requirements of the competent authorities and shall employ contractors, architects, structural engineers, surveyors and other professionals as may be required in the implementation of the Project.

- i) The Developer shall implement the Project in accordance with, or exceeding, the baseline specifications provided under the Operational Guidelines for “Andhra Pradesh Policy for establishment of Private Industrial Parks with ‘Plug and Play’ Industrial infrastructure (4.0) 2024-29.
- j) The Developer shall obtain and maintain, at its cost, adequate insurance coverage for construction risks, third-party liability, workmen compensation, fire, and natural calamities. APIIC shall be named as a co-insured or loss payee wherever applicable. Evidence of such insurance shall be provided before commencement of construction and from time to time.
- k) The Developer shall represent before the public, local and/or private authorities in respect of the implementation of the Project and to make such of the actions and things as may be necessary for effectually commencing the construction work and completing the same.
- l) The Developer represents that it is solvent and has no litigation or pending regulatory proceedings which may adversely affect the execution or performance of this Agreement, and shall notify APIIC immediately upon any legal proceedings/Court orders/summons/notices etc.
- m) The Developer shall complete the implementation of the Project within 18 (eighteen) months from the Commencement Date. The Developer shall have the discretion to execute the Project in multiple phases within agreed timelines. Upon completion of construction activities pertaining to any specific phase within the proposed [MSME Industrial Park], the Developer shall obtain a certificate from a Chartered Engineer confirming the completion of such construction and its conformity with the approved layout plan. This certificate shall be submitted to the Zonal Manager for verification. The Zonal Manager shall thereafter conduct a survey of the Project to ascertain and certify that the implementation of the said phase has been carried out in accordance with the Detailed Project Report (DPR).
- n) Upon completion of the Project or any individual phase thereof, the Developer shall apply for and obtain the requisite completion certificate from the competent authorities, in accordance with applicable laws and regulations.
- o) The Developer shall submit quarterly progress reports to APIIC detailing construction status, approvals obtained, financial utilization report, etc.
- p) After completion of the construction in all aspects, put APIIC in possession of its share of [developed/plot area].
- q) In the event that the Developer is unable to fulfill any of its obligations within the timelines prescribed under this Agreement due to circumstances beyond its reasonable control, the Developer shall promptly notify APIIC in writing, providing detailed reasons and supporting documentation for such delay. Upon receipt of such notice, APIIC shall assess the reasonableness of the cause and, at its sole discretion, may grant an extension of the relevant timeline without imposing any penalties, provided that the delay is not attributable to the Developer’s negligence or default. However, if the delay is determined to have arisen due to the Developer’s own actions, omissions, or failure to perform its obligations in a timely manner, APIIC shall be entitled to levy penalties on the Developer in accordance with the provisions of this Agreement. Such penalties shall be calculated at the rate of 0.2% (zero-point two percent) of the Performance Security for each day of delay until the fulfillment of the relevant conditions, subject to a maximum of 20% (twenty percent) of the Performance Security. These damages shall be payable within 15(fifteen) days from the date of fulfillment of the said conditions. The imposition of such damages shall be without prejudice to any other rights or remedies available to APIIC under this

Agreement.

- r) The Developer explicitly agrees that the Developer shall have no right or title on APIIC's Share in the [developed/plot area] and shall ensure that APIIC's Share of the [developed/plot area] is not encumbered, obstructed, or interfered with in any manner, and shall take necessary steps to protect APIIC's possession and title from claims or disturbance by allottees, third parties, or its own contractors.
- s) APIIC shall have the sole discretion to sell, lease, or market its share either directly or through the Developer, subject to terms and conditions as may be mutually agreed upon in writing. Nothing herein shall confer any automatic right upon the Developer to transact on behalf of APIIC without such written agreement.
- t) The Developer shall market and promote the Project.
- u) All marketing materials, sale deeds, and lease deeds pertaining to the Developer's Share shall include a disclaimer clause clearly stating that APIIC shall not be responsible for any misrepresentation, deficiency, or liability arising from such transactions. Further, the Developer shall keep APIIC informed of all sale or lease transactions related to the Developer's Share and shall submit relevant details of such transactions to APIIC in a timely manner.
- v) The Developer shall operate and maintain the Project safely and securely as per the standards to provide the required levels of service to its users.
- w) The Developer shall collect, appropriate and allocate revenue, fees, charges from the users of the Project.
- x) The Developer shall have the right to set and modify periodically the common area maintenance charge, primarily applicable to all intended allottees. Such maintenance charge shall accrue to the Developer for maintaining facilities at the [MSME Industrial Park] like security, common area development etc. The Developer shall have the right to levy and collect common area maintenance charges from all the allottees within the Project, for the purpose of covering the costs of maintenance, repairs of infrastructure and facilities.
- y) The Developer shall be solely responsible for development, operation, upkeep, and maintenance of all internal infrastructure and common facilities within the Project, including but not limited to internal roads, stormwater drainage, water supply systems, electricity distribution infrastructure, sewage and effluent treatment systems, landscaping, green areas, and security infrastructure. The Developer shall maintain such facilities in a manner consistent with applicable industrial standards.
- z) The Developer shall maintain proper records of all maintenance activities and shall make such records available to APIIC upon request. APIIC or its designated representative shall have the right to inspect the condition of infrastructure, maintenance and facilities within the Project at reasonable intervals and issue directions for improvement, which the Developer shall comply with at its cost.
- aa) The Developer shall pay all dues under the Agreement to APIIC and other competent authorities.
- bb) The Developer shall keep the Project in good condition.
- cc) The Developer shall not make or permit any alterations or additions to the approved plans including digging open wells/ sinking bore wells or excavating sub-soil for any other purpose without obtaining the previous consent in writing of APIIC.
- dd) The Developer shall not allow or permit the usage of the Scheduled Property in such a way

- as to cause nuisance, annoyance or inconvenience to the users of the Project.
- ee) The Developer shall permit APIIC or their agent or officers with or without workmen at all reasonable times, with prior notice to the Developer, to enter upon the Scheduled Property to view the conditions thereof and upon notice given by APIIC to effect repairs in accordance with such notice at the cost of the Developer.
